I feel sorry, but I'm like always troubled...
I'll do my best, I have to finish you sorry...

No... I really do feel down... I wanted to relax day, if you...
I don't know if you know that... I envy u... Sorry not my wedding anniversary...
We never had a proper wedding...
I didn't want her to be troubled about our marriage, so I keep reject...
I wanted to at least pay for anything. At wedding or our wedding Anniversary

THIS IS STUPID...

We dated as an "Anonymous." Although we wanted."
We wanted buy wedding rings. Although we wanted to...
In the end, her family like this...
I couldn't give her anything
So, today, I was sent from Sora, I thought I could do something

PLEASE, DON'T DO AS YOU PLEASE, ALONE...
DON'T DIE...

Meanwhile, I was completing the script. For Sora, I created a new piece of music.
And had been able to completely complete everything. But, what I want to tell of you, Kaoyang-ssi.
Today is our wedding Anniversary, so I would rather watch my work with Sora by Side.
Even just like usual, anywhere you think. That is my request.

That night, Kaoyang-ssi disappear...
I'm sorry for not understanding your feelings having time there.
Kaoyang-ssi deserves better than me. Perfect like Cinderella Kaoyang-ssi can't go better
A valuable person. Could receive a lifetime of love...

You should be happy!
